Did not own Fedoa Hat or any kind of
soft hat. Had derby I always wore
bought from Savalittle. Edwin Carpenter
was with me when I purchased the
only soft hat I owned in Norfolk
about Dec 1st 1922, left derby
at store in Norfolk.

Moles on face removed Dec 28. 1923
very large one below right temple

I possibly telephoned to Mrs Stokes in
N.Y. about 6 P.M. on Sept 14 or 15
trying to inquire how she was.
She then said call me up about 6 as
I will be in at that time.

I most likely phoned to N.Y. after
Sat aft Sept 16. but none of family
were in, left message with bell boy.
Either from White-oak or Gary.
